

# Pharmacy Services

## Residential Care Solutions

We have developed custom-fit solutions based on over 30 years of experience to help you meet your challenges and achieve your goals.

### DISPENSING

Our ReadyMeds system uses the latest unit-dose dispensing and verification systems to drive efficiency and compliance for you and the residents you serve.

### DELIVERY

Personal delivery to your facility five days a week together with our extended order cut-off time means your residents always have the medications they need.

### CLAIMS MANAGEMENT SERVICES

We work with all major prescription insurance providers to prevent unnecessary charges to your residents or your facility for non-covered drug costs.

### MEDICAL RECORDS

We provide an array of customized medical records to establish consistency and promote accuracy, saving you valuable nursing time.

### ADVANCED TECHNOLOGY

Reduce errors, improve efficiency, and have your pharmacy at your fingertips with our advanced eMAR/EHR interfaces, WebConnect® and our DocuTrack-certified pharmacy.
